

Congratulations from Dallas Nephrology Associates

Dallas Nephrology Associates (DNA) would like to congratulate our 16 physicians who were voted to the D Magazine Best Doctors in Dallas and Collin County in 2020. DNA has been a trusted source of information and top-quality kidney care in the Dallas/Fort Worth area since 1971. DNA provides care for patients with kidney disease, hypertension, kidney transplants and complicated electrolyte disorders. As one of the largest teams of kidney specialists in the United States, we are focused on providing patients and referring physicians with expert care and evaluation of kidney disorders.
